

L

L2800/L3400

FEATURES

3-point Hitch

The large capacity hydraulic pump and cylinder provide powerful lifting capacity, allowing you to use a wider range of implements.

Wet-disc Brakes

Responsive and smooth, our long-life wet-disc brakes are immersed in oil, and require only the slightest foot pressure to activate.

Roll-Over Protective Structure (ROPS)

For maximum protection, all models come with ROPS as standard features. A foldable ROPS is standard on the L4400 and optional on the L2800/L3400.

Cup/Mug Holder

This convenient holder securely fits a cup or a mug so you can always quench your thirst.

Conveniently Located PTO Lever

To further enhance access and entry/exit, the PTO lever is located on the right side of the operator's seat. (L2800/3400 HST models)
