

L

L3200/L3800

FEATURES

Powerful Engines

The L3200 gear-drive model provides 26.7 PTO horsepower (HST model: 25.2 PTO horsepower), while the L3800 gear-drive model provides 31.5 PTO horsepower (HST model: 30.3 PTO horsepower).

HYDROSTATIC TRANSMISSION (HST MODEL)

3-range Shift for Optimal Speed Selection

An in-line shifting pattern enables easy range shifting from low to medium to high. The shift is also conveniently located on the left side of the operator's seat for simple operation.

Cruise Control (optional)

To keep your working speed constant, simply set the infinite, mechanical cruise control lever on either the L3200 or L3800 4WD HST models to your desired speed—and go.

GEAR-DRIVE TRANSMISSION (GEAR MODEL)

Powerful and Versatile Means Getting the Job Done Faster.

You'll finish the big jobs easily with the mechanical shuttle transmission featuring inline shifting in the low and reverse ranges for faster direction changes. Moreover, the transmission offers 8 forward and 4 reverse speeds (8F/4R), enabling you to select the right speed for higher productivity.

Slide-out Radiator Screen / Gas-strut Open Hood

The sleek and slanted hood provides a greater field of vision, which becomes handy for front loader operations. Visibility is also enhanced with new multiple headlamps that are useful in dark and inclement conditions. Furthermore, the one-piece front hood can be fully opened for easier access to the engine to make routine inspections and maintenance a breeze.

L3200/L3800

FEATURES

Spacious Operator's Deck

To provide maximum comfort, the L3200 and L3800 feature a spacious operator platform. Its semi-flat design also makes getting on and off the tractors easier.

Suspension Seat

The suspension seat offers a high level of comfort. This contoured seat is ergonomically designed to reduce fatigue, even after long workdays.

Smooth Power Steering

To reduce fatigue, both 2-wheel drive and 4-wheel drive models come equipped with a smooth, easy-turn, integral power steering.

Choice Of Tires

Tires designed for specific jobs enable the L3200 and L3800 to perform even better. Select from AG, Industrial, and Turf.

Large Fuel Tank

An ample 10-gallon fuel tank lets you fill up with more fuel so you can operate longer.
