This web site is to be used as a guide for the matching of Land Pride Implements on Kubota Tractors in average conditions. Retail customers in conjunction with Kubota/Land pride dealers should use their best judgement to select the best combination of tractor size and implement capabilities. The mismatching of tractor and implements can result in the voiding of Kubota and/or Land Pride Warranties.

Landscape Rakes

LR35 Series

Features	Benefits
Working widths	84", 96"
Tractor HP Range	30-65 HP
Cat. I & II	Fits a wider variety of tractors.
Fits Land Pride Quick-Hitch	Allows for quick and easy one person hook-up.
Frame offsets 45 degrees manually or hydraulically	Easily cover one tractor tire track. Optional hydraulic provided control from the tractor seat.
Angle 9 forward positions and 5 reverse positions	Vary the amount of material being moved.
16 1/2" Rake height	Can move a great deal of material.
High carbon spring steel teeth	84" width = 42 teeth 96" width = 48 teeth Allows teeth to keep their shape.
Individually replaceable teeth	Quick and easy replacement.
Retractable Parking Stand	Keeps the frame off the ground and makes hook-up easier.
Rear Blade adaptable	Get more out of a rake investment.
Single or dual gauge wheels (optional)	Provide better depth control.
Flip-down grader blade and side plates (optional)	Enables the rake to perform light blading duties and can be flipped up when not in use.
Warranty	One year parts & labor.
