

Corporate Profile

(as of March 31, 1999)

Corporate name	KUBOTA Corporation
Year founded	February 1891
Year established	December 1930
Capitalization	78,106,526,000 Yen
Total no. of shares issued	1,409,655,369
No. of stockholders	64,304
No. of employees	15,156

Principal Products

● Pipe Systems

Ductile iron pipes, FW pipes, spiral steel pipes, Perma pipes, vinyl pipes, polyethylene pipes, plastic valves, compact spherical pumps, various other types of pumps, various other types of valves

● Materials Division

Reaction pipes, FW pipes, suction rolled shells for paper manufacturing, custom forged items, ordinary forged items, casting molds for steel ingots, rolled steel rolls, cast items for engines, cast items for machines, ceramics, G columns, G piles, ductile segments, drainage pipes

● Machinery Division

Tractors, mini-tiller, tiller, power-tiller, combine harvester, binders, harvesters, rice transplanters, implements, attachments, dryers, arm housings, rice processing vending machines, agricultural pick-up, power carts, Rice Cooker, cooperative drying facilities, rice-polishing facilities, cooperative seedling facilities, dairy farm facilities, horticultural facilities, green control devices, lawn mowers, various types of engines, mini-backhoes, wheel loaders, carriers, hydraulic shovels, welders, generators, various types of automatic vending machines, various types of weighing and surveying devices, weighing and surveying control systems, personal CAD systems, air conditioning equipment, casting plants, irrigation and water systems

● Environmental Equipment

Groundwater treatment plants, groundwater pollution incineration and melting plants, clean water treatment plants, seepage water treatment plants for end disposal of waste, industrial wastewater treatment plants, various other types of drainage treatment plants, excrement treatment plants, organic film units for water treatment, garbage incineration and melting plants, industrial waste treatment plants, crushing plants for outside and non-burnable garbage, waste recycling plants for discarded items, crushing and fine pulverization facilities

● Housing Materials

Colorbest (Colonial, Urbany, Rampart, Mutus (?), Lunessa (?), Junesse (?), Western-style roof tiles, various other types of roofing materials, fire-resistant siding, Ceradeal, Cerastate, bathroom water tanks, water septic tanks
