Notice on a distribution of retained earnings

Please be advised that Kubota Corporation (hereinafter “the Company”) resolved at the Board of Directors’ Meeting held on May 11, 2010 that the Company would distribute retained earnings as the record date was March 31, 2010.

1. Details of year-end dividend

	Year-end dividend	Latest forecast (Released on February 9, 2010)	Comparable previous year (Year ended March 31, 2009)
Record date	March 31, 2010	March 31, 2010	March 31, 2009
Dividend per common share	¥5	¥5	¥7
Amount of dividend	¥6,361 million	-	¥8,907 million
Date of payment	June 21, 2010	-	June 22, 2009
Resource of dividend	Retained earnings	-	Retained earnings

2. Background

The Company’s basic policy for the return of profit to shareholders is to maintain stable dividends or raise dividends together with share buy-back and retirement of treasury stock. However, the Company has decided to pay ¥5 per common share as year-end dividend in consideration of the recent business conditions in severe business environment affected by the global financial crisis.

Accordingly, including the interim dividend of ¥7 per common share paid by the Company, the annual dividend per common share for the fiscal year ended March 31, 2010 will be ¥12.

(per common share)

	Interim dividend	Year-end dividend	Annual dividend
This fiscal year (Year ended March 31, 2010)	¥7	¥5	¥12
Previous year (Year ended March 31, 2009)	¥7	¥7	¥14

< Cautionary Statements with Respect to Forward-Looking Statements >

This document may contain forward-looking statements that are based on management’s expectations, estimates, projections and assumptions. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results may differ materially from what is forecast in forward-looking statements due to a variety of factors, including, without limitation: general economic conditions in the Company’s markets, particularly government agricultural policies, levels of capital expenditures, both in public and private sectors, foreign currency exchange rates, continued competitive pricing pressures in the marketplace, as well as the Company’s ability to continue to gain acceptance of its products.
