(Note) The Amount of dividend includes ¥32 million for the Company’s shares held by the RS Trust in relation to the Performance-linked Stock Compensation Plan.

2. Reasons for determination of interim dividend amount

The Company’s basic policy for the return of profit to shareholders is to maintain stable dividends and raise dividends together with share buy-backs and retirement of treasury shares.

Considering the basic policy and the Company’s current business performance, the Company decided to pay ¥ 24 per common share as the interim dividend of this fiscal year, which will be ¥2 increase from the previous year ended December 31, 2022.

The specific amount of year-end cash dividend for the year ending December 31, 2023 is not decided at this time.

< Cautionary Statements with Respect to Forward-Looking Statements >

This document may contain forward-looking statements that are based on management’s expectations, estimates, projections and assumptions. These statements are not guarantees of future performance and involve certain risks and uncertainties, which are difficult to predict. Therefore, actual future results may differ materially from what is forecast in forward-looking statements due to a variety of factors, including, without limitation: general economic conditions in the Company’s markets, particularly government agricultural policies, levels of capital expenditures, both in public and private sectors, foreign currency exchange rates, the occurrence of natural disasters, continued competitive pricing pressures in the marketplace, as well as the Company’s ability to continue to gain acceptance of its products.
